Dear John

531
I hope this will find you and your family enjoying the blessing of good health - I have not enjoyed the pleasure of hearing much about your part of the world as I have seen very little of Sarah as yet - but I expect to have a good visit with her bye & bye and hear all about her visit to you

I thought she looked much better when she came home than when she left home I hope it may continue -

Thanks for the beautiful
Views of the Valley and
surroundings you so kindly
sent me - I like them very
much - and they have been
much admired by others -

So you are a staid
home body now - with a
good many cares - and a great
many comforts - Do you not
some times wish for an
opportunity to climb to some
mountain top - where you
have not yet been -

David still continues
to spend his life in that store
with seldom a days vacation
and not always quite well
and his wife's health is not
very good either - Carrie
is teaching this year for the
first time -

Annie is again engaged
in the store - she likes
that kind of work much
better than teaching

We are having a
very cold backward spring
which causes the farmers to
complain not a little - but we
have not been visited with
any very severe storm such
as have swept over many
places around us -

It seems a long time -
since I have had a letter from
you - but will hope to
hear from you soon

With much love to you
Dear John, and to your wife
and little daughter

I am sincerely yours
Mother
